

District 6 Fact Sheet

Serving Fresno, Kern, Kings, Madera and Tulare Counties

State Route 180 East

Segment Two
New Freeway Construction

Fresno County

Project Purpose:

The project on State Route 180 will provide an improved primary east-west route through the City of Fresno, and rural communities to the east of Fresno. Construction of the project would reduce traffic congestion on local streets, improving traffic flow which will reduce travel time and increase safety for motorists.

Project Description:

The completed project, from State Route 168 to Frankwood Avenue, will be built in five segments. This portion of the project is segment two which will be constructed in and near the City of Fresno from Clovis Avenue to Temperance Avenue. This segment of new alignment will change from a 6-lane freeway at Clovis Avenue to a 4-lane freeway at Fowler Avenue then transition to a 4-lane expressway east of Temperance Avenue.

Construction Cost: \$45 million

Construction Anticipated to Begin: Summer 2009

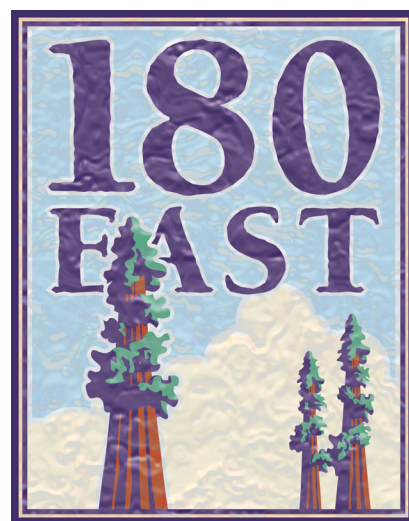

Construction Anticipated to End: Summer 2012

Funding Sources:

State Transportation Improvement Program (STIP)
Traffic Congestion Relief Program (TCRP).
Fresno County Transportation Authority (FCTA)
“Measure C” sales tax.

Agency Partners:

Caltrans
Fresno County Transportation Authority
